

Chipmunk

Design by Marianne Crivellaro, Text by Darlene Welch

Springtime brings out all kinds of creatures that have been hiding from Old Man Winter, and this furry, friendly chipmunk is no exception. This design from Marianne Crivellaro is included in the delightful patterns that can be found in *Wild Thing*, one of twelve books included in *The Ultimate Pattern Book, Volume 3*. The collection includes over 300 full-size beginner to intermediate suncatcher and small panel patterns that can also be used for mosaic or fused glass designs. Besides *Wild Thing*, you'll also find *All Stars 2*, *Buds & Bevels*, *Secret Garden*, *Quick Quilts*, and *It's That Simple*, plus six other complete pattern books.
