

# Skater

Design by Marianne Crivellaro, Text by Darlene Welch

Nothing is more beautiful and graceful than an experienced ice skater jumping, spinning, and gliding across the ice. Marianne Crivellaro has captured that elegance in this delightful pattern, which can be found in *More Little Women*, one of twelve books included in *The Ultimate Pattern Book, Volume 2*. The collection includes over 300 full-size beginner to intermediate suncatcher and small panel patterns that can also be used for mosaic or fused glass designs. Besides *More Little Women*, you'll also find *From the Heart*, *Paws*, *Luck of the Irish*, *Mini Victorian Accents*, and *Patchwork Quilts* plus six other complete pattern books.
