

Frog and Bee Are Friends

Design by Marianne Crivellaro, Text by Darlene Welch

This whimsical frog and his bee buddy make an unconventional, but nevertheless happy, pair enjoying their time together as they sit amongst a colorful floral bouquet. The design comes to us courtesy of Marianne Crivellaro from her book, *Wild Things*, one of the twelve pattern collections that make up *The Ultimate Pattern Book, Volume 3*. There are 300-plus patterns altogether for beginning to intermediate glass artists and hobbyists from some of her most popular design books including *Buds & Bevels*, *Christmas Cuties*, *Fly Away*, *Secret Garden*, *A Choir of Angels*, *Quick Quilts*, and five others. **GPO**
