Description

Pattern #2 Four Classic Clock Designs

(GPQ Spring 1989)

Design by Mark Waterbury

A 21 1/2" octagonal geometric and floral clock with rose brown Victorian flourishes on a sea foam green background. Qualatex marbles mark the hours. This project is constructed with copper foil, but lead came could also be used. A set of four full-size patterns with the octagonal clock, as well a 14 1/2" round, an 11"x 14" rectangular, and a 10" round clock are available by ordering pattern #2. Or pattern in back issue can be enlarged. Back issue CD or Digital version only.
